5. **MPUMALANGA ATHLETICS**

Athletes going to the Mpumalanga Championships on 12 March in Secunda have received letters. Parents are responsible for the transport. Good luck to all the athletes.

7. **TRAFFIC!!!!**

Traffic around the school is primarily the responsibility of the traffic department. We as a school would like to help improve the flow of traffic.

Parents who don't park, as indicated in the previous letters, are our biggest problem. It causes swearing and fighting in the streets in front of the school and creates a very bad impression to outsiders. Impatience is one of the biggest problems.

We are looking for parents who want or can help to solve this problem. If you are willing to help please call Annalize at the office on 013 235 2077. Once we have enough volunteers, we will have a meeting and structure a plan on how to solve the traffic problem.`

Laerskool greetings
